# Providing an Exceptional Quality Education

GIS (GEMS International School - Al Khail) is proud to be part of the GEMS Education network of award winning schools. Reviewed as "functionally outstanding" by Schools Compared and with multiple commendations from the Council of International Schools, we are confident our community is one you and your family will enjoy. We are committed to delivering the full International Baccalaureate (IB) education Programme (Pre-KG to Grade 12). In doing so we provide the ideal preparation for life beyond school and access to the world's top universities including the University of Toronto, Kings College London, Manchester University and the University of Amsterdam. Our vision is to provide exceptional quality education to meet the needs of a diverse, international community in an ever-changing world.

*There are so many things that make GIS (GEMS International School) a special place to be.*

*I believe our parent and student satisfaction rating (96%) says it all. We are a community that cares; where students, parents and staff work in partnership with a shared goal of providing an exceptional IB education.*

*The best gift you can give your child is a great education; you'll find that at GIS.*

At GIS, we offer a personalized approach to learning with a strong emphasis on developing mother tongue languages, innovation, healthy lifestyle and leadership skills. With 89 nationalities, this is a community where people feel at home, no matter where they are from.

### Our students benefit from:

- A unique mother tongue support program designed to strengthen our students' home language and encourage bilingualism.
- Strong emphasis on character and leadership development, ensuring our students develop their EQ alongside their IQ.
- Our qualified teachers undergo rigorous and continuous IB accredited training to promote their awareness of current educational practices and new thinking, several of whom are accredited IB trainers.
- A truly international environment with 89 nationalities represented, with no single nationality above 14%.
- Purpose built facilities are in place to deliver an exceptional IB education: 12 dedicated science labs, a digitally connected design wing, advance communication teaching facilities including an on-site green screen studio, music recording studio, 2 gymnasiums, large outdoor playground, 2 swimming pools and a black box theatre just a few of the many resources on hand.
- Average IBDP score higher than the world average

### THE GEMS DIFFERENCE

#### Trusted by parents around the world

We are passionate about education and have been trusted by parents for 60 years.

#### We are a family of committed teachers

Everyday, our family of 20,000 teachers make a difference to the lives of over 190,000 students.

#### Our Students lead locally and internationally

GEMS students have won over 2,100 international, regional and local awards in science, arts and sports.

#### Our Students excel and go to the top universities

GEMS students have been accepted into 1,050 universities in 53 countries - including all eight Ivy League universities in the US and all 24 Russell Group universities and colleges in the UK.

#### We are deeply committed to philanthropy

Our philanthropic arm, The Varkey Foundation, supports initiatives that change lives around the world.

#### Making quality education accessible

GEMS Rewards is an exclusive rewards programme for our community of students, parents and staff designed to reduce the impact of school fees and further enhance their lifestyle.

#### We see genius in every child

We believe that a quality education is the key to unlocking the greatness that lies in every child.

We see **genius** in every child
