**Destination of transcripts for IB Career-related Programme (CP) students 2015–19**

This report demonstrates the variety of university and college destinations that our Career-related Programme (CP) students have requested for their transcripts to be sent to. A transcript is a statement of a student's results produced by the IB following the release of examination results in the July/December of a student's graduating year. It is sent to the universities that a student holds an offer from and expects to attend. The list represents the students who completed their CP between 2015 and 2019.

During that period, our CP students requested that their transcripts be sent to universities and colleges in 35 countries, across North America, Africa, Europe, the Middle East, Asia and Australasia. CP students requested that their transcripts be sent to over 1,000 universities around the world, including more than 750 institutions in the United States and more than 130 in the United Kingdom.
